

## In-Home Support Services (IHSS) Authorized Representative Designation

Health First Colorado members can choose an Authorized Representative (AR) to help them with IHSS benefits and tasks, if the member is enrolled in a waiver that offers IHSS. Members may change their AR at any time. If the member wants to change their AR, they must work with their IHSS agency and case manager to make the change. This form must be completed each time the member changes their AR.

**Authorized Representative:** An individual chosen by the member, or by legal guardian of the member. The AR must have the judgment and ability to help the member obtain and use services. The extent of the AR’s involvement shall be decided after they become the AR. The AR cannot also be the member’s attendant. State laws dictating AR designation for IHSS can be found in Colorado Revised Statute CRS 25.5-6-1202.

### Designation of Authorized Representative

I hereby designate the following person to serve as my AR while receiving benefits under the IHSS. I understand my AR will do these things for me:

- Present person(s) to IHSS agency as potential IHSS attendant(s).
- Schedule, manage, and supervise attendants with the support of the IHSS agency.
- Train attendant(s) to meet the member’s needs.
- Work with the IHSS agency to decide the level of in-home monitoring by a licensed medical professional.
- Dismiss attendant(s) who are not meeting the member’s needs.

If the member’s physician has indicated on the Physician Statement of Consumer Capability form that the member cannot direct their own care, then the AR must handle ALL tasks.
