

RE: Consumer Directed Attendant Support Services (SLS)

Dear

Thank you for your interest in the Consumer Directed Attendant Support Services (CDASS) delivery option. The following packet will assist you in getting started with CDASS. ***Please carefully read all of this information.***

The contents of the packet are as follows:

Pages 1-5: Information on the CDASS service delivery option. Visit the Consumer Direct Colorado (CDCO) website for additional information:

<http://consumerdirectco.com/>

Pages 6-7: Client or Authorized Representative Responsibilities form. Please complete and return to your Case Manager.

Page 8: Physician Attestation of Consumer Capacity. To be reviewed and completed by your Primary Care Physician, then returned to your Case Manager.

Please note, you must be in stable health as indicated by your physician to participate in the CDASS service delivery option. In addition, if your doctor checks NO in response to any of the other questions, you will be required to have an Authorized Representative (AR) assist you to manage your care. If an AR is required, they will need to complete pages 9-11.

(If your doctor answers YES to all questions and you do not wish to have an Authorized Representative for CDASS you may disregard pages 9-11).

Page 12: Task Worksheet. This is a draft or **example** worksheet you will complete with your Case Manager when all above forms are returned. The Task Worksheet captures all of your needs for attendant care, and the hours per week required for that care. This example Task Worksheet will be used to determine your monthly allocation.

You will need a finalized copy of your Task Worksheet and Monthly Allocation for training with Consumer Direct.

The process for starting CDASS is:

Step #1: Return Physician Attestation AND Client/AR Responsibilities form to the Case Manager. If applicable, return AR paperwork to the Case Manager.

Step #2: Client and the Case Manager complete the Task Worksheet collaboratively either over the phone or in person.

Step #3: The Case Manager finalizes the Task Worksheet to determine the Client's monthly allocation and makes a referral to CDCO for training. The Client/AR will receive a copy of the Task Worksheet and monthly allocation from the Case Manager to utilize during training.

Step #4: The Client/AR will be contacted by CDCO to schedule training. Training consists of reviewing service delivery option rules and information to help the Client/AR be successful in managing their services. During training, the Client/AR will develop an Attendant Support Management Plan (ASMP) to outline a plan for managing services. The Client/AR will also need to choose which Financial Management Services (FMS) provider they would like to use.

Step #5: The Case Manager will receive the completed ASMP from CDCO and review the document for approval. At the Case Manager's request, the Client/AR may need to make corrections.

Step #6: The Case Manager will refer the Client/AR to their choice of FMS provider to begin the enrollment process. The Client/AR will need to complete enrollment forms with the chosen FMS provider for the Client and the Attendants being hired to provide care.

Step #7: Once paperwork is complete, the Client/AR will work with the Case Manager and the FMS provider to determine the start date for services.

Step #8: CDASS services and attendant care can begin on designated start date.

Sincerely,

CONSUMER DIRECT COLORADO CDASS TRAINING SPECIALISTS

Consumer Directed Attendant Support Services (CDASS) is a Medicaid service option under the **Home and Community Based Services (HCBS)** program. CDASS empowers individuals to direct their own care needs rather than going through a home health agency.

How does CDASS work?

In CDASS you work closely with your Case Manager to determine your need and eligibility. Based on your need, you are given an allocation of funds to utilize in managing your care. A Financial Management Services (FMS) provider of your choice assists you with payroll and paperwork for your workers. You are empowered to hire, train and manage your attendants as the employer.

How to Get Started

CDASS allows you flexibility, control and choice over the services you need to remain happy and healthy in your home and community.

- You must be eligible for one of the HCBS waivers. For more information call 211, or contact the local Case Management Agency in your county.
- The Case Management Agency will help determine your eligibility for waivers and services. If you qualify, you will be assigned a Case Manager to assist with the CDASS enrollment process.
- Once enrollment is complete, your Case Manager will send a referral to Consumer Direct Care Network Colorado to initiate CDASS training.
