III. POLICY OVERVIEW

The purpose of this policy is to provide guidance to Case Managers on how to conduct utilization and allocation reviews of services provided through the CDASS delivery option. This policy overview does not provide guidance for every situation, but rather provides standards for use by Case Managers.

Allocation management is a key element of the CDASS delivery model, allowing for increased Member choice and control. Flexibility in how CDASS is utilized enables Members to manage the services they need to live independently and to more fully participate in their communities. CDASS covered service tasks as defined in 8.510.3 and 8.510.94.B are health maintenance, personal care and homemaker services; with Enhanced Homemaker being an additional service available through the SLS waiver. The allocation shall only be used for covered CDASS tasks within the flexibility of the ASMP.

Upon enrollment, at the time of the CSR, or on request of the Member/Authorized Representative, the Case Manager assesses the Member's needs and identifies services to address those needs. CDASS allocations are authorized utilizing the CDASS Task Worksheet based on the Member's need for services and adhere to all service authorization requirements and limitations established by the Member's waiver program. If the Member experiences a change in condition the Case Manager may determine (as set forth in 8.510.16.E) during the service plan year that a reassessment is necessary. If a reassessment is completed and indicates that a change in Attendant support is necessary, the Case Manager shall follow Department guidelines to adjust the service plan. **Previous utilization should not determine an increase or a decrease to the Member's CDASS allocation.**

Each month, the FMS vendor shall notify each CMA when the MMES is available. The Case Manager shall review the MMES for appropriate utilization of services within the allocated amount. CDASS monthly utilization can fluctuate due to factors including but not limited to short term changes in individual needs and attendant turnover. A member is

not allowed to exceed their authorized monthly allocation by more than 29.99% even if reserves are present. Exceeding the monthly allocation by 30% or higher will result in denial of attendant payment. Amounts up to 129.99% of the monthly allocation will be paid out to the attendant if funds are present.

IV. PROTOCOL FOR OVER EXPENDITURE

The Member's assigned Case Manager will review the MMES provided by the Member's FMS vendor on a monthly basis to obtain the percentage of the monthly allocation that the Member/AR spent for the month. Members receiving CDASS through the Elderly, Blind and Disabled (EBD) waiver, Spinal Cord Injury (SCI) waiver, Brain Injury (BI) waiver, or Community Mental Health Supports (CMHS) waiver will have one budget to manage each month. However, Members receiving CDASS through the Supported Living Services (SLS) waiver may have two budgets they will manage each month. The SPAL budget is for personal care, homemaker and enhanced homemaker services while the HMA budget is for health maintenance activities. For these Members, overspending in either budget (or both) will result in one overspending episode.

The Case Manager is expected to discuss CDASS expenditures at each scheduled Member contact to discuss overall spending and budget management. Expenditures exceeding up to 9.99% percent of the Member's average monthly allocation are allowable and do not require the Case Manager to perform immediate follow up. Expenditures which exceed 10% to 29.99% of the average monthly allocation are allowed **if** the Member has allocation reserves that fully cover the expenditure or has received prior authorization from the Case Manager. If prior authorization is granted by the Case Manager, but the Member's remaining annual allocation does not cover the over expenditure, the Case Manager is not responsible as the Member, or their AR, is the legal Employer of Record it is their responsibility to ensure their annual allocation covers the attendants services provided. Prior authorization requires Case Management approval documented in the Service Plan, ASMP or BUS log notes. CDASS expenditures which exceed the Member's monthly CDASS Allocation by 30% or higher are not allowed, even with allocation reserves.

FORMAL ACTION STEPS FOR OVER-EXPENDITURE

If review of the MMES shows expenditures which exceed 10% to 29.99% of the average monthly allocation without reserves available or prior-authorization, the following formal action steps should be taken using the Member/AR preferred communication method:

1. First episode of over expenditure without reserves or prior-authorization:
 - a. The Case Manager shall contact the Member/AR within five business days of receipt of the MMES to:
 1. Request information from the Member/AR on what caused the over expenditure and remind Member/AR to outreach Case Manager for prior-authorization in the future. Determine if the Member experienced a change in

condition (short-term or long-term) resulting in the need for additional services. Discuss with the Member/AR whether the current Task Worksheet is accurate based on change in condition. Evaluate whether additional care needs will continue and if they will be met through natural supports, CDASS, another state plan or waiver benefit; or a combination thereof without duplication of services rendered.

2. Discuss the over expenditure and develop a plan to reduce expenditures for a period of time within the certification period to support the Member to stay within their annual allocation.
