

CONSUMER DIRECT COLORADO CDASS TRAINING SPECIALISTS

Consumer Directed Attendant Support Services (CDASS) is a Medicaid service option under the **Home and Community Based Services (HCBS)** program. CDASS empowers individuals to direct their own care needs rather than going through a home health agency.

How does CDASS work?

In CDASS you work closely with your Case Manager to determine your need and eligibility. Based on your need, you are given an allocation of funds to utilize in managing your care. A Financial Management Services (FMS) provider of your choice assists you with payroll and paperwork for your workers. You are empowered to hire, train and manage your attendants as the employer.

How to Get Started

CDASS allows you flexibility, control and choice over the services you need to remain happy and healthy in your home and community.

- You must be eligible for one of the HCBS waivers. For more information call 211, or contact the local Case Management Agency in your county.
- The Case Management Agency will help determine your eligibility for waivers and services. If you qualify, you will be assigned a Case Manager to assist with the CDASS enrollment process.
- Once enrollment is complete, your Case Manager will send a referral to Consumer Direct Care Network Colorado to initiate CDASS training.

CDASS Attendant Directory

The Attendant Directory is a free resource to help identify members and attendants who suit each other. Attendants can register and create a free searchable member profile. Once they identify a good match, they can use the directory to connect. Whether you're a member seeking attendant support, or an attendant interested in expanding your member network, the Attendant Directory can help you make a connection.
