

 Consumer  Directed  Attendant  Support  Services

Which FMS provider you select is an individual choice. As long as you are receiving CDASS, you will have an ongoing relationship with your FMS provider, so it is important you look at your individual needs and compare your options, similar to choosing any business you would like to work with.

Open Enrollment

Open enrollment provides you with the opportunity to change FMS provider. If you are happy with your current FMS provider, you do not have to make any changes during open enrollment. Parameters have been put in place to ensure the transition goes smoothly and to avoid interruption in services. Communication and follow through is essential and *you* play a critical role in making the transfer successful. Please refer to the FMS Comparison Chart and the individual FMS Provider Information Sheets for general information. These are located later in Section 5.

Client Experience: Curt Wolff, Thornton

“Although I am a C4 quadriplegic, I am very active. While agency based home health care provides a valuable service, I felt constraint by their schedules. CDASS allows me not only the freedom to hire my own attendants, but allows me to set their schedules to match my busy schedule. I get to keep active in the community, which gives me a sense of independence and freedom I truly enjoy.”

FMS Provider Contact Information

Cost to You

After reviewing the marketing material in this section, you will see charts from each of the FMS providers. These charts show how much each attendant will cost *you* based on the hourly rate you pay them. The total 'cost to you' is the amount that will come out of your CDASS monthly allocation. The cost includes employer taxes and workers' compensation insurance costs. Each chart has a breakdown at the bottom so you can see how the total percentage is calculated. Remember, you can pay your employees any rate amount you desire as long as it is within state program guidelines. When you complete your ASMP, you will need to reference the chart that coincides with the FMS provider you have chosen.

Electronic Visit Verification (EVV)

EVV is a technology solution that assures excellence of care for Members through mobile application, telephony, or web-based portal. The federal government requires that all state Medicaid agencies implement EVV. There are six specific data points required to be collected; they are:

- Date of the service
- Time of the service
- Type of service performed
- Location of service delivery
- Individual receiving the service
- Individual providing the service

CDASS Members/Authorized Representatives are required to comply with EVV and all services submitted to the Department through your Financial Management Service (FMS) vendor must have an EVV record. If you do not comply with EVV, this may impact your participation in CDASS and how your Attendant is paid. Some Attendants may qualify for a live-in caregiver exemption, which exempts them from submitting EVV records if the Attendant lives with the Member they provide services to. A live-in caregiver exemption form should be sent to the FMS vendor and be updated annually with their FMS vendor to maintain the exemption. Those interested in requesting an American Disabilities Act (ADA) accommodation for yourself or an Attendant are encouraged to contact their FMS vendor and the Department's ADA Coordinator at 303-866-6010 or hcpf504ada@state.co.us.

Colorado Consumer-Directed Attendant Support Services “Cost To You” Worksheet

As a Colorado Consumer-Directed Attendant Support Services (CDASS) employer, the cost of hiring attendants includes paying wages, payroll taxes, and Workers’ Compensation insurance. Palco charges the **individual** employer rate, providing the cheapest rate for every individual situation.

- ✓ The State Unemployment Tax Act (SUTA) rate varies depending on the employer’s experience rating with the state unemployment insurance office. With Palco, the employer’s rate is not blended with other CDASS employers’ rates. This means the employer receives the full benefits of any potential SUTA rate decreases when Palco updates tax percentages each year.
- ✓ The employer tax rate varies depending on the attendant’s relationship to the employer. This means employers can take full advantage of individual tax exemptions, so more money goes into the hands of attendants!
- ✓ As of July 1, 2024, the Colorado direct care worker base wage is \$17.00, and the maximum wage allowed for CDASS is \$57.68.
 - Some cities may implement a citywide minimum wage that is higher than the state minimum (example: Denver minimum wage is \$18.81 as of 1/1/25). Contact a Palco enrollment specialist for more information.
- ✓ Family members are limited to working 40 hours in a work week, defined as Sunday through Saturday. Attendants must be paid overtime, time and a half the hourly rate, for any time worked over 40 hours in a work week or more than 12 hours in a shift/day.

Calculate Your Cost to You

Step 1: Find your Employer Cost Percentage on page 1.

Step 2: Take the total percentage from step 1, divide it by 100 and then add 1.

Example: $14.24\% \div 100 = 0.1424$

$0.1424 + 1 = 1.1424$

Step 3: Choose an hourly rate you want to pay your attendant within the minimum and maximum wages allowed for CDASS.

Step 4: Multiply your attendant's hourly rate by your Employer Cost Percentage from step 2.

Example: The "cost to you" for an employer who employs their spouse and wants to pay an hourly rate of \$20.00 is: $\$20.00 \times 1.1424 = \22.85 .

Fill in the spaces below to find your "cost to you"!

$$\frac{\text{Your Attendant's Hourly Rate}}{\text{Employer Cost Percentage}} \times = \text{Your Total Budget Cost Per Hour}$$
